About Me

A Film and Theatre graduate who has a strong passion for filmmaking and theatre production from taking part in theatre productions and doing film projects in university, along with some personal film projects. A hard-working team player with a strong work ethic. Constantly seeking new experiences to further their knowledge, skills and understanding in the creative, film & TV industry. In their leisure time they enjoy exercise, cooking, wildlife and nature through outdoor walks.

<ul style="list-style-type: none">• Foundation Degree in Business Studies	
Marlborough College Malaysia	2012-2021
<ul style="list-style-type: none">• IB: 30	

University Experience

- Boom operator – responsible for recording the dialogue of actors in short films, along with necessary sounds for enhancing scenes.
- Cinematographer – shot multiple short film projects, discussed with directors how they wanted scenes to be transmitted into film, deciding which angles and shot types to best capture director's intentions, putting them into shot lists.
- Director – deciding how to portray a clinical scenario in a short pharmacy video, coming up with storyboards and directing what emotions actors should portray.
- Runner – aided in gathering materials, such as props or technical equipment when needed for a specific scene, usually at short notice.
- Sound mixer – made sure microphones were working in good quality to capture sound, discussed with directors what sounds or music they wanted for scenes in various short films.
- Video editor – edited various short film projects, putting all clips together and adding necessary effects to make videos look visually stunning and engaging
